How long have you lived at Bozman Farm Estates?

My husband and I have lived in Bozman for a little over 5 years this past June.

Why would you like to serve on the Board of Directors?

I would like to serve on the Board of the Directors so that I can be a voice for the families in our neighborhood. I have been fortunate enough to meet so many wonderful people over these past few years and to know that I would be serving on the board for the greater good of each family is an honor and a privilege.

What experience or qualifications would you like to share?

I have not served on a HOA Board but I have served on Charity Organizational Boards as well as committees and boards with past employers. My passion is people and adding value to people's lives and our neighborhood.

What are your goals for the Association?

To help create transparency with the Board and the Neighborhood, to be the voice for families when it comes to the wants, needs and must haves of the neighborhood in ways that the best decisions are made for the neighborhood and the families who live here. My intent is to always be fair, honest and forth coming regarding any decisions that would be made for the Board and the Neighborhood.

Please include any other information about your candidacy for the Board of Directors.

My desire to help others played a huge role as to why I chose to be on the ballot for the Board for Directors. I will always serve with honesty & integrity and will that voice for each one of you as members of this neighborhood.
